## **Custodial Parent Issues**

The Beulah Heights Staff, as per district policy, will release a student and pertinent information only to the parent(s)/guardian(s) with custodial rights to the child. Problems arise when parents inform us that they have sole custody of their child(ren) but fail to provide us with the court documentation that supports it. Please understand that this puts us in a difficult position. Therefore, your wishes will be honored as long as we have updated official court papers in the student's file that detail the direction of the court matters of custody, restraint, and/or visitation.

Children will not be released to any adult unless authorized by you. This adult's name **must** appear on the student's enrollment card. Proper identification before a student is released will be mandatory. The adult **must** report to the office and sign the student out of school. It is necessary for all concerned that any adult not part of PCS staff report to the office when visiting the school.

## **PARENTS RIGHTS TO KNOW:**

Parents of all children in all Title I schools have the right to request and receive timely information on the professional qualifications of their children's classroom teachers.

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher is teaching;
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, including the field of discipline of the certification or degree;
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

## **FORMS**

The following forms are being sent home. Please complete the information and return the forms to school.

1. **ENROLLMENT CARD:** Review and adjust the information as necessary for accuracy. Emergency numbers are very important for your child's wellbeing. **Please be advised that your child will not be released to anyone other than those adults that you list on the enrollment card as emergency contacts.**
2. **SCHOOL DISCIPLINE POLICY HANDBOOK**
3. **PARENT PERMISSION & RELEASE FORM**

## **SAFETY NOTICES**

There is no playground supervision before school hours. **DO NOT** bring your children to school prior to 7:35am. **Parents: Sending your children to school too early places them at risk for encountering dangerous situations because they are not supervised.**

In addition, the school staff is not available to supervise students who stay on school grounds after 3:15 p.m. Students are to attend evening events under their parents' supervision.

## **STUDENT DROP-OFF AND PICK-UP AT BEULAH HEIGHTS ELEMENTARY**

Before and after school, the area in and around the school becomes heavily congested with traffic. Please follow these guidelines to assist us in making the school grounds safe:

- Please use the LOOP at the back of the school, next to the playground, and off Easy Street.
- When you enter the LOOP, use the right lane to pick up your child and the left lane to exit after you have picked up your child. PLEASE DO NOT DOUBLE PARK IN THE LOOP or ask your child to walk across the right-hand lane AS THIS CREATES A SERIOUS DANGER FOR STUDENTS.
- Never leave your vehicle unattended in the LOOP. If you plan to enter the building with your student, please park in the parking lot and walk to the front office for assistance.
- Do not use the parking lot as a drop-off for your child.
- Pay attention to signs posted in parking lots and do not park in designated areas.
- Please exercise patience and courtesy when dropping off and picking up your child.
- Please treat crossing guards and playground monitors with respect; they are there to protect our students and your children!
- Monitor your speed in and around the school grounds.
- Drivers who fail to abide by these guidelines may be referred to law enforcement.

## **SCHOOL ATTENDANCE**

Regular and prompt school attendance is expected of all students. Consistent school attendance is an extremely important factor for student success at school. Absences are considered excused because of illness, death in the immediate family, or when approved by the principal. **All other absences are considered unexcused.** You are required to phone the school each morning before 9:00 a.m. to report your child's absence to the office, if you do not do so and the office calls you to determine why your child is not in school, the absence will be considered **unexcused**. It is highly recommended, and, after five absences required, that you submit a doctor's excuse when a student illness occurs.

Colorado State Law requires enforcement of compulsory school attendance, which means no more than **four unexcused absences** in one month or **ten unexcused absences in one school year**. Students with more than four unexcused absences in one month or ten unexcused absences in a school year will be referred to the Department of Pupil Personnel for School District No. 60, which will file court petitions in district court for chronic attendance problems.

Please read and sign the attendance information letter which is located within the student enrollment paperwork.

### **ABSENCES AND ILLNESS AT SCHOOL**

**Absences-** Students are to bring a written excuse upon returning to school from an illness. A parent or guardian should call the office regarding absences or early dismissals. No student will be dismissed from school without parent notification regarding dismissal. Parents are to come to the school office and get their child if they are to be dismissed early from school. Excessive absences, without a doctor's note will result in a referral to the Office of Student Support Services.

### **CHANGE IN STUDENT INFORMATION**

It is imperative that the school office be notified immediately of a change of address, home or office telephone number, or emergency information during the school year. If a student is ill and all contact phone numbers on the enrollment card are incorrect, the Department of Social Services may be contacted.

**Illness** – Parents will be informed if their child becomes severely sick or hurt at school. Please supply us with the number of another adult in case you cannot be reached. The parent will be contacted if the child has a fever.

**COLD WEATHER POLICY- Every day** at Beulah Heights is treated as a cold weather day. We bring students in 10 minutes early every day. Please do not drop students off prior to 7:35. Unless the weather is extremely inclement, children will remain outside during recess periods. On these days students should dress warmly so that they are comfortable during brief periods outside. Parents should send notes to the school or call for exceptions due to illness. Parents, please be aware that on late start days, breakfast will not be served. Please plan accordingly for your student.

### **BICYCLES/SCOOTERS/SKATEBOARDS AT SCHOOL**

A rack is available for students who ride bikes/scooters to school. Students should ride bikes/scooters to school only if they are able to lock the bikes/scooters securely in the rack. Bicycles/scooters/skateboards *are not* to be ridden on the playground or on school property. When students arrive on the school grounds, they are to walk their bikes/scooters/skateboards to the racks and secure them.

### **STUDENT HEALTH PROBLEMS**

A parent should inform the school of any special health problems a child may have. Copies of reports from the doctor explaining the nature of the condition will assist the school in meeting the needs of the student.

### **MEDICATION (District 60 School Board Policy)**

The responsibility for dispensing medication lies with the *parents, legal guardians, or legal custodians* of the student. If, under exceptional circumstances, a student is required to take medication during school hours and the parent, legal guardian, legal custodian, or authorized designee thereof cannot be at school due to employment constraints to administer the medication, only the principal, on behalf of the District, may agree to administer the medication. The principal or his/her designee shall administer the medication in compliance with regulations established by the District.

***Do not send medication to school with your child.*** It is the responsibility of the parent to consult with the school if a child requires medication during school hours. Medication will be administered only if a doctor deems it essential and only then after the **parent and doctor** have completed the **required forms**. No cough drops, inhalers, or medication of any kind are to be in backpacks or with students unless District permission forms are on file at school.

### **DOCTOR AND DENTAL APPOINTMENTS**

Parents are encouraged to arrange doctor or dental appointments before or after school whenever possible. If a student must be released from school early, the parent must come in the school office and sign out the student. **A STUDENT WILL BE RELEASED ONLY TO AN ADULT WHOSE NAME APPEARS ON THE CHILD'S ENROLLMENT CARD**, which has been signed by the parent at the beginning of the school year or at the time of enrollment. Adults whose names appear on the enrollment card and who are picking up children during the school day require proof of ID.

### **IMMUNIZATIONS**

See the letter and chart on the following pages.

## Dear parents/guardians of students attending Colorado kindergarten - 12<sup>th</sup> grade schools for the 2023-24 school year:

We know you're thinking of all the things you need to do to make sure your student is ready for school. Getting vaccinated is an important part of their school readiness and keeps children from catching and spreading diseases that can make them sick and potentially disrupt in-person learning.

### Required and recommended vaccines:

- Colorado law requires students who attend a public, private, or parochial Kindergarten - 12th grade school to be vaccinated against many of the diseases vaccines can prevent unless a *Certificate of Exemption* is filed. For more information, visit [cdphe.colorado.gov/schoolrequiredvaccines](https://cdphe.colorado.gov/schoolrequiredvaccines). Your student must be vaccinated against:
  - Diphtheria, tetanus, and pertussis (DTaP, Tdap).
  - Hepatitis B (HepB).
  - Measles, mumps, and rubella (MMR).
  - Polio (IPV).
  - Varicella (chickenpox).
- Colorado follows recommendations set by Centers for Disease Control and Prevention's (CDC) Advisory Committee on Immunization Practices. **Prior to starting Kindergarten**, students must receive their final doses of DTaP, IPV, MMR, and varicella. **Prior to starting sixth grade**, students must receive one dose of Tdap vaccine, even if the student is younger than 11 years. You can view recommended vaccine schedules at: [www.cdc.gov/vaccines/schedules/easy-to-read/child-easyread.html](https://www.cdc.gov/vaccines/schedules/easy-to-read/child-easyread.html) (birth through 6 years) or [www.cdc.gov/vaccines/schedules/easy-to-read/adolescent-easyread.html](https://www.cdc.gov/vaccines/schedules/easy-to-read/adolescent-easyread.html) (7 to 18 years).
- CDC also recommends vaccines for COVID-19, hepatitis A (HepA), human papillomavirus (HPV), influenza (flu), and meningococcal disease (MenACWY and MenB), but these are not required for school entry in Colorado.

### Exclusion from school

- Your student may be excluded from school if your school does not have an up-to-date *Certificate of Immunization*, *Certificate of Exemption*, or an in-process plan on file for your student.
- If someone gets sick with a vaccine-preventable disease or there is an outbreak at your student's school and your student has not received the vaccine for that disease, they may be excluded from school activities. That could mean lost learning time for them and lost work and wages for you. For example, if your student has not received a MMR vaccine, they may be excluded from school for 21 days after someone gets sick with measles.

### Have questions?

Talk with a health care provider or your local public health agency (LPHA) about which vaccines your student needs or if you have questions. You can find a vaccine provider at [cdphe.colorado.gov/immunizations/get-vaccinated](https://cdphe.colorado.gov/immunizations/get-vaccinated). You can read about the safety and importance of vaccines at [www.cdc.gov/vaccines/parents/FAQs.html](https://www.cdc.gov/vaccines/parents/FAQs.html), [childvaccineco.org](https://childvaccineco.org), [ImmunizeForGood.com](https://ImmunizeForGood.com), and [cdphe.colorado.gov/immunization-education](https://cdphe.colorado.gov/immunization-education). Staying up to date on routine immunizations is important for adults, as well as children. We encourage parents and guardians to find out what vaccines might be due. It's never too late for families to get back on track! Learn more about vaccines for adults at [www.cdc.gov/vaccines/adults/rec-vac/index.html](https://www.cdc.gov/vaccines/adults/rec-vac/index.html).

### Paying for vaccinations

If you need help finding free or low-cost vaccines and providers who give them, go to [COVax4Kids.org](https://COVax4Kids.org), contact your local public health agency (find LPHA contact information at [cdphe.colorado.gov/find-your-local-public-health-agency](https://cdphe.colorado.gov/find-your-local-public-health-agency)), or call the Mile High Family Health Line at 303-692-2229 or 1-800-688-7777 to ask about Medicaid contact information and health clinics located in your area.

### Vaccination records

- Share your student's updated *Certificate of Immunization* with their school every time they receive a vaccine.
- Need to find your student's vaccine record? It may be available from the [Colorado Immunization Information System \(CIIS\)](https://ColoradoImmunizationInformationSystem.org). Visit [COVaxRecords.org](https://COVaxRecords.org) for more information, including directions for how to use the CIIS Public

Portal to view and print your student's vaccine record.

### Exemptions

- If your student cannot get vaccines because of [medical reasons](#), you must submit a *Certificate of Medical Exemption* to your school, signed by a physician (MD, DO), advanced practice nurse (APN), or delegated physician assistant (PA). You only need to submit this certificate once, unless your student's school or information changes. You can get the form at [cdphe.colorado.gov/vaccine-exemptions](http://cdphe.colorado.gov/vaccine-exemptions).
- If you choose not to have your student vaccinated according to Colorado's school vaccine requirements for reasons that are nonmedical, you must submit a *Certificate of Nonmedical Exemption* to your school. Nonmedical exemptions must be submitted annually at every new school year (July 1 through June 30). There are two ways to file a nonmedical exemption.
  1. File the *Certificate of Nonmedical Exemption* WITH the signature from an immunizing provider in Colorado who is a physician (MD, DO), advanced practice nurse (APN), delegated physician's assistant (PA), registered nurse (RN), or pharmacist licensed in Colorado; OR
  2. File the *Certificate of Nonmedical Exemption*, which you will be able to access upon completion of the state's online immunization education module.
- Downloadable certificates and a link to the online education module are available at [cdphe.colorado.gov/vaccine-exemptions](http://cdphe.colorado.gov/vaccine-exemptions).

### How's your school doing on vaccinations?

Some parents/ guardians/caregivers, especially those with students who have weakened immune systems, may want to know which schools have the highest immunization rates. Annually, schools must report immunization and exemption numbers (but not student names or birth dates) to the state health department. Schools do not control their specific immunization and exemption rates or establish the Vaccinated Children Standard described in [§25-4-911, CRS](#). Schools must include their MMR immunization and exemption rates from the most recently completed school year in this letter. Schools may choose to also include immunization and exemption rates for other school-required vaccines. Additional immunization and exemption rates can be found at [COVaxRates.org](http://COVaxRates.org).

1. Student's immunization record shows they are fully immunized with required vaccines. A laboratory report for some vaccines or diseases showing immunity is also acceptable.
2. For students who are not up to date on required vaccines, the school will notify the parent/guardian that the student has 14 days to receive the required vaccine(s).  
Parents are to provide a written plan for the remaining vaccines following the minimum intervals of the Advisory Committee on Immunization Practices (ACIP) schedule. If the plan is not followed, the student shall be excluded from school for non-compliance.

**Colorado Department of Education  
School Health Services Program  
Notification to Access Benefits**

The Department of Health and Human Services sponsors a program allowing our district to seek reimbursement for health-related services provided to children with Medicaid health insurance. This program helps our district to maximize federal funds for support of additional health services in our schools.

The Colorado Department of Education and the District will request parental permission to provide health-related services to each child and to release and exchange medical and other confidential information, as necessary, to the Department of Health Care Policy and Financing (Medicaid), whether directly or through a contracted billing agency, for health services provided to each child after the date of this notification. Information released may include personally identifiable information, records, or information about the services which may be provided to each child. The purpose of the disclosure is to access the child's public benefits to receive Medicaid reimbursement for said services.

The District, the Department of Health Care Policy and Financing, and the contracted billing agency, if any, require my permission to send claims to Medicaid and receive payment from Medicaid for health-related services as set forth in my child's IEP or IFSP.

Medicaid reimbursement for health-related services provided by the district and the Colorado Department of Education will not affect any other Medicaid services for which a child is eligible. Each child will receive the services listed in the IEP regardless of whether or not a child is enrolled in public benefits. If a parent refuses to allow access to the Department of Health Care Policy and Financing, it does not relieve the District of its responsibility to ensure that all required services are provided to the child at no cost to the parent.

The granting of consent is voluntary and may be revoked at any time. If a parent later revokes consent, that revocation is not retroactive (i.e., it does not negate an action that has occurred after the consent was given and before the consent was revoked).

The District and the Colorado Department of Education will operate under the guidelines of the Family Educational Rights and Privacy Act (FERPA) to ensure confidentiality regarding each child's treatment and provision of health-related services.

## **NUTRITION SERVICES BREAKFAST/LUNCH**

The school breakfasts and lunches that we serve follow U.S. Department of Agriculture guidelines for healthy school meals. The School Breakfast and Lunch Programs cannot succeed without your support; please encourage your children to participate in the school meal programs.

### **Universal Meals**

Pueblo School District 60 is participating in a Universal Lunch and School Breakfast Program for the current school year at all D60 schools. All students enrolled at D60 schools may participate in the breakfast and lunch program at no charge to them. Snack items and adult meals will be available for sale each day.

### **Community Eligibility Provision Participating Schools**

All students will be served breakfast and lunch at no cost. Families should complete a combined application to provide vital data for school funding.

Families should submit a Family Economic Data Survey\* in the school office, online at [www.pueblod60.org](http://www.pueblod60.org), by visiting <https://www.myschoolapps.com/Home/PickDistrict>, or scan the QR code to the right.

- Families are encouraged to **fill out the Family Economic Data Survey\***.
- **You only need to submit one application per household, even if your children attend more than one school in Pueblo School District 60.**

**\*This form may be used only for schools participating in the federal child nutrition programs. All D60 schools are participating in the Community Eligibility Program (CEP), receipt of school meals does not depend on households returning this form. In all schools, this form is also used in connection with other federal, state and local education programs, including determining whether the school district is eligible for state additional funding on the behalf of the student(s). By filling out the form, the parent is ensuring the district will receive the additional state funding to which it is entitled based on the population of students served by the district.**

### **Families are encouraged to submit an application**

Any additional foods chosen by students **MUST** be paid for either prior to service or at the time of service. **NO CHARGES WILL BE ALLOWED AT ANY GRADE LEVEL.** Please be sure your student has a payment method *prior to purchases* or the sale will not be completed. Prepayments may be made online by clicking on the link, [www.myschoolbucks.com](http://www.myschoolbucks.com) or scanning the QR code to the right.

*Charging Foods is NOT allowed in any D60 School*

### District meal charge policy goals are:

*Students who wish to purchase additional foods beyond those provided at no charge under the Community Eligibility Provision must pay for those foods.*

- To encourage parents to assume responsibility of meal payments and to promote self-responsibility of the student;
- To treat all students with dignity in the serving line regarding meal accounts;
- To establish policies that are age appropriate;
- To establish a consistent district policy regarding charges and collection of charges.
- Charging is not allowed at any grade level

### MEAL PROGRAM COMPUTER SYSTEM

Nutrition Services uses the MCS computerized Point of Sale System that operates like a debit account. Students must prepay into their account and access their money by entering an account code into a pin pad. The Manager can also help the child look up their account at the computer terminal.

### Students must prepay for additional foods

- **No cash will be accepted on the serving line in grades K-5**
- Prepayments are accepted via cash or check in the school cafeteria before 10:00 am.
- Make checks to ***Nutrition Services*** and write your child's name on the memo line
- This process has been established so that all students are using the same method of exchange
- Receipts are available on request

### Parental Control

Parents may control how money is spent. Parents may designate if their child is not allowed to spend account money on a la carte food items.

As an additional courtesy to parents, they may request a report showing when deposits were made and when the student ate meals.

### **PARENT INVOLVEMENT**

Parents are encouraged to be involved with the different activities of the school to the extent time will permit. Parents may volunteer time at school in a wide variety of activities. Interested parents should contact the school for further information and complete the appropriate forms.

### **PARENT-TEACHER ORGANIZATION**

If you are interested in becoming involved in the group's activities for the benefit of the students, please contact the school office or Jonathan Dehn.

### **LABELING OF POSSESSIONS**

Coats, caps, gloves, notebooks, etc., should have your child's name on them to assist us in locating the right owner if the items are lost. The school maintains a lost and found box. Please check with the school if an article of clothing becomes lost. After a reasonable period, unclaimed items are donated to charity.

### **VALUABLE POSSESSIONS**

Students should not be permitted to bring valuable items to school. Often such items are left in a desk or somewhere else in the room and are either stolen or misplaced. **Collectible cards and other collectibles are not allowed on school grounds at any time and will be confiscated.** Students are discouraged from bringing cell phones to school. If **cell phones** are brought to school they must be **turned off** and left in a backpack **before, during, and after school hours.** **The school is not responsible for lost or stolen items.**

### **COMMUNICATIONS**

Ordinarily, parents will be informed of events through Sunday calls via School Messenger. A monthly calendar will be sent home with students. The calendar will outline the plan for the upcoming month. Please discuss with your children the importance of taking the communications home and giving them to parents. Also, check our school website at: <https://www.pueblod60.org/Domain/11>

### **SCHOOL PHONE**

Students are permitted to use the school phone in cases of emergency. However, we do not allow phone use by students for calls, which are not an emergency. The school office is considered to be a place of business, and without restrictions, phone lines may be tied up when a parent is trying to contact the school.

### **FIELD TRIPS**

Field trips are designed to provide a learning experience for students outside the school setting. The goal is to supplement the educational activities provided in class. Students are expected to follow the rules of the school even though the students may be far from the actual school building. In addition, other rules may apply to the field trip, which ordinarily are not stressed at school. These additional rules may be necessary for the safety of students, to maintain order on the bus, or to comply with regulations of the facility being visited.

Following the rules and displaying proper manners are requirements for students on all field trips. **Students may be excluded from field trips because of poor behavior prior to the trip.** If student behavior is unacceptable during the field trip, uncooperative students may be excluded from participating with other students and may be required to remain on the bus or wait in other areas under adult supervision until the activity has been completed.

## **BEULAH HEIGHTS ELEMENTARY STUDENT DISCIPLINE PROCEDURES**

One of our major goals at Beulah Heights School is to maintain a learning atmosphere, which provides the student the opportunity to work toward his/her greatest potential. To accomplish this, we must have a learning environment, which is safe for all students and allows them to work in an atmosphere, which is conducive to learning.

It is the belief at Beulah Heights School that students are responsible for their own learning with guidance and direction from the school staff. To be an effective learner, each student needs to develop a positive self-concept through motivational techniques, positive feedback, and effective education. Student-directed activities and student self-evaluation are important parts of our educational program. Parental and community involvement and support are essential to the success of our programs and school. Students will be provided opportunities and direction to develop appropriate social skills and to aid in intellectual development. The school provides each student with the maximum opportunity to acquire an education. No student has the right to interfere with this opportunity of other students by his/her actions, poor manners, or lack of consideration. All rules and regulations are developed and enforced with this thought in mind. School rules apply on the school grounds, going to and from school, and at any event where our school is represented, regardless of location.

**Harassment / Bullying Behaviors\*****DUE PROCESS**

Pueblo School District 60 adheres to the constitutional principle that a student be guaranteed due process whenever involved in a disciplinary situation which might result in suspension or recommendation for a disciplinary adjustment transfer. Due process is a procedure to ensure a student is treated fairly when involved in a disciplinary situation, which might result in suspension or recommendation for a disciplinary adjustment transfer.

**BEULAH HEIGHTS IS AN ANTI-BULLYING SCHOOL!**  
**PLEASE HELP YOUR CHILD TO UNDERSTAND BULLYING:**

**What is bullying?**

Bullying occurs when a student, or group of students, repeatedly tries to hurt, humiliate, or get power over another student in any of the following ways.

- **Physical bullying** is when a student uses physical force to hurt another student, e.g., by hitting, pushing, shoving, kicking, taking a student's belongings, or stealing their money.
- **Verbal bullying** is when a student uses words, images, or gestures to intimidate or humiliate another student, e.g., by taunting, name-calling, teasing, put-downs, insults, threats, and blackmail.
- **Relational bullying** is when a student excludes or isolates another student, e.g., through leaving them out, manipulating others against them, or spreading false rumors or gossip.
- **Cyberbullying** is when a student uses their cell phone, text messages, e-mails, instant messaging, the Internet, or social media to threaten, shame, or isolate another student. It includes breaking into a student's online account and assuming that student's identity in order to damage their reputation.
- Bullying is different from **conflict**. Conflict is an inevitable part of life and can occur at school when a student perceives another student as being an obstacle to what they want or value. If students are in conflict but are not bullying, our school is committed to helping students talk it through.
- Bullying may, at times, amount to **harassment**. It is harassment to target a student online or face to face because of his or her academic performance or any basis protected by federal and state law, including disability, race, creed, color, sex, sexual orientation, national origin, religion, ancestry, or the need for special education services, whether such characteristic(s) is actual or perceived.

In order to be considered bullying, the behavior must be aggressive and include:

- **An Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.
- **Intentional:** Bullying behaviors are unwanted and an attempt to harm physically or emotionally.
- **Types of behavior:** Teasing, intimidation, making threats, physical aggression towards others, limiting the friends that classmates have, forming alliances, gangs, or cliques, pranks or jokes on others, spreading rumors, etc.
- **Possible Consequences:** detention (recess or after school), loss of privileges, suspension out of school\* for serious or repeated offenses, and referral to law enforcement as appropriate.
- **Ways to reduce this behavior:** Seek the support of adults when conflicts with peers arise, monitor your child's friendships, and promptly report bullying concerns to the administration (549-7510).

*\*Students who engage in bullying behaviors towards others off school grounds, during after-school activities, or online (cyberbullying) will still be subject to the school's disciplinary policies.*

**Student Suspension:**

When a student engages in a serious behavior violation such as fighting or defiance, they may be suspended from school following the due process procedures noted below. In the event that a child is suspended, parents/ guardians must make arrangements for their child to be picked up from school. The principal may suspend a student for a period not to exceed five calendar school days. During the period of suspension, the principal may recommend to the Superintendent that the suspension be extended for a total period not to exceed twenty school days. Students are not allowed on school grounds during a suspension.

*When a student is suspended from school, the parent/ guardians must attend a follow-up conference to review expectations and establish a plan for student improvement. This meeting will be scheduled at the time of suspension.*

**PROCEDURE FOR DISCIPLINE PROBLEMS** Please refer to the district's website for all board policy and procedures and the student conduct and discipline code handbook that are posted on the district website.

### **CLASSROOM EXPECTATIONS**

## **JKD/JKE: Student Use of Internet and Electronic Communications**

The Board of Education shall provide due process of law to students, parents/guardians and school personnel through written procedures consistent with law for the suspension or expulsion of students and the denial of admission. *See complete policy.\**

### **JKE-E: Grounds for Suspension/ Expulsion**

The following may be grounds for suspension or expulsion from a public school: 1) Continued willful disobedience or open and persistent defiance of proper authority. 2) Willful destruction or defacing of school property. 3) Behavior on or off school property which is detrimental to the welfare or safety of other pupils or of school personnel including behavior which creates a threat of physical harm to the child or other children. 4) Declaration as a habitually disruptive student. 5) The use, possession or sale of a drug or controlled substance on school grounds, in a school vehicle, or at a school activity or sanctioned event. 6) The commission of an act on school grounds, in a school vehicle, or at a school activity or sanctioned event that, if committed by an adult, would be robbery. 7) Possession of a dangerous weapon. 8) Repeated interference with a school's ability to provide educational opportunities to other students. 9) Carrying, using, actively displaying, or threatening with the use of a firearm facsimile that could reasonably be mistaken for an actual firearm in a school building or in or on school property. 10) Failure to comply with the provisions of Part 9, Article 4, Title 25, C.R.S. (immunization requirements). 11) Making a false accusation of criminal activity against an employee of an educational entity to law enforcement authorities or school district officials or personnel. *See complete policy.\**

### **JKE-R: Suspension/ Expulsion of Students**

Through written policy, the Board of Education has delegated to any school principal the power to suspend a student for not more than five or 10 days, depending upon the type of infraction. Pursuant to policy JKD/JKE, the superintendent has been delegated the power to suspend a student for additional periods of time. However, the total period of suspension will not exceed 25 school days. As a general rule, a suspension will be 10 days or less. *See complete regulation for procedures.\**

### **JEa: Compulsory Attendance**

Every child who has attained the age of six years on or before August 1 of each year and is under the age of 17 is required to attend public school with such exceptions as provided by law. It is the parents' responsibility to ensure attendance. *See complete policy.\**

### **JH: Student Absence/Excuses**

One criteria of a student's success in school is regular and punctual attendance. Frequent absences may lead to poor academic work, lack of social development, and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment, and scholastic achievement. No single factor may interfere with a student's progress more quickly than frequent tardiness or absence. According to state law, it is the obligation of every parent/guardian to ensure that every child under their care and supervision receives adequate education and training and, if of compulsory attendance age, attends school. *See complete policy.\**

### **JHB: Truancy**

"Habitual truant" shall be defined as a student of compulsory attendance age who has four total days of unexcused absences from school in any one month or 10 total days of unexcused absences during any school year. Absences due to suspension or expulsion shall not be counted in the total of unexcused absences for purposes of defining a student as "habitually truant." *See complete policy.\**

### **JICA: Student Dress Code**

A safe and disciplined learning environment is essential to a quality educational program. District-wide standards on student attire are intended to help students concentrate on schoolwork, reduce discipline problems, and improve school order and safety. The Board recognizes that students have a right to express themselves through dress and personal appearance; however, students shall not wear apparel that is deemed disruptive or potentially disruptive to the classroom environment or to the maintenance of a safe and orderly school. This policy is designed to ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance or body type/size *See complete policy.\**

### **JLCB: Immunization of Students**

The Board directs the superintendent or designee(s) to annually provide parents/guardians of each student enrolled in the district a copy of the standardized immunization document developed by the Colorado Department of Public Health and Environment. The standardized immunization document includes a list of required and recommended immunizations and the age at which each immunization should be given.

No student is permitted to attend or continue to attend any school in this district without meeting the legal requirements of immunization against disease unless the student has a valid exemption for health, religious, personal or other reasons as provided by law.

Students who do not submit an up-to-date certificate of immunization or a written authorization signed by one parent/guardian requesting local health officials to administer the immunizations or a valid exemption will be suspended and/or expelled from school according to regulation JLCB-R.

All information distributed to parents/guardians by the district will inform them of their rights to seek an exemption from immunization requirements.

## **JLCB-R: Immunization of Students**

1. No student may attend school in the district unless the student has presented to the school an up-to-date certificate of immunization or a completed exemption form. [Note: please refer to current standardized immunization documents developed and updated by the Colorado Department of Public Health and Environment for a list of immunization requirements and recommendations.] A student shall be exempted from required immunizations only upon submission of:
  - a. certification from a licensed physician that the student's physical condition is such that immunization would endanger the student's life or health or is otherwise medically contraindicated due to other medical conditions.
  - b. a statement signed by the parent/guardian or the emancipated student that the student adheres to a religious belief whose teachings are opposed to immunizations.
  - c. a statement signed by the parent/guardian or the emancipated student that the student holds a personal belief that is opposed to immunizations.

In the event of an outbreak of disease against which immunization is required, no exemption will be recognized and those students will be excluded from school.

2. The district will provide upon request an immunization reporting form. The school nurse is responsible for seeing that required information is included on the form and transferred to an official certificate of immunization as required.
3. If there is a failure to comply with the immunization requirements, the school nurse will personally notify the parent/guardian or emancipated student. Such notification will be accomplished either by telephone or in person. If this is not possible, contact will be by mail. Emancipated Students must be contacted directly rather than through their parents/guardians.

The parent/guardian or emancipated student will be notified of the following:

- a. that up-to-date immunizations are required under Colorado law.
  - b. that within fourteen (14) days of notification, the parent/guardian must submit either an authorization for administration of the immunization by health officials or a valid exemption or documentation to the school showing that the next required immunization has been given and a written plan for completion of all required immunizations.
  - c. that if the required documentation is not submitted within fourteen (14) days of notification or if the student begins but does not continue or complete the written plan, the student will be suspended or expelled.
4. A student who fails to comply shall be suspended by the principal for up to five days and notice of the suspension sent to the Health Department.
  5. If no certificate of immunization is received during the period of suspension, the superintendent will institute proceedings for expulsion.
  6. Any suspension or expulsion under this policy will terminate automatically upon compliance.
  7. Record of any such suspension or expulsion will be contained in the student's health file, with an appropriate explanation, not in the student's disciplinary file.

Any student expelled for failure to comply with the immunization requirements will not be included in calculating the dropout rate, but will be included in the annual report to the State Board of Education.

### **Students in out-of-home placements**

The following procedure shall apply to students in out-of-home placements, as that term is defined by C.R.S. 22-32-138(1)(e).

Unless the district or school is otherwise authorized to deny enrollment to a student in out-of-home placement, the district or school shall enroll the student regardless of whether the district or school has received the student's immunization records. Upon enrolling the student, the school shall notify the student's legal guardian that unless the school receives the student's certificate of immunization or a written authorization for administration of immunizations within fourteen (14) days after the

student enrolls, the school shall suspend the student until such time as the school receives the certificate of immunization or authorization.
