MISSION STATEMENT

To provide a high-quality education that assures each student the knowledge, skills, and dispositions to lead a life of purpose and impact.

Pueblo School District No. 60 does not discriminate on the basis of race, creed, color, sex, sexual orientation, gender identity/expression, marital status, national origin, religion, ancestry, age, disability, need for special education services, genetic information, pregnancy or childbirth status, or other status protected by law in admission, access to, treatment or employment in its educational programs or activities. Additionally, a lack of English language skills is not a barrier to admission or participation in activities. The following individuals have been designated to handle inquiries regarding the non-discrimination policies: Eric DeCesaro, EEO/Affirmative Action/Title IX/Section 504 Compliance Officer for complaints involving employees, and Aaron Bravo, Title IX Compliance Officer for complaints involving students. Both individuals can be located at 315 West 11th Street, Pueblo, Colorado 81003, (719) 549-7100. Board of Education

Dear Members of the Board of Education:

We are pleased to submit to you the proposed budget for fiscal year 2023-2024 (July 1, 2023-June 30, 2024). The budget is presented in compliance with applicable Colorado state statutes and Colorado Department of Education (CDE) regulations. A balanced budget is presented for each of the District's funds with a projected beginning fund balance plus anticipated revenues equal to expenditures and reserve allocations. This budget includes but is not limited to advancing the objectives outlined in the Strategic Plan that was recently revised and extended for three years. These objective areas include Academic Student Success, Safe and Positive Culture, Quality Staff, Community Engagement, and Budget and Sustainable Funding.

Budget Process: The District makes an effort to seek input regarding the budget priorities from department and school leaders and utilizes the District Accountability Committee (DAC), composed of various stakeholders, including administrators, staff, parents, and community members.

Student Enrollment Trends: District enrollment continues in a declining trend. The District continues to use five-year declining enrollment averaging that allows for a larger funded pupil count (FPC) than if the actual count was used. The declining enrollment trend will continue to deplete district resources in the future as our incremental resources shrink, and our fixed costs remain the same or increase.

School Finance and Legislative Activity: Colorado school finance formulas consist of three main components: the legislatively controlled base funding amount per pupil, the number of pupils in a school district, and the number of students eligible for free lunch. When the Colorado voters passed Amendment 23 in November 2000, school districts were promised an inflationary increase based on the prior calendar year's Consumer Price Index (CPI). The CPI for the upcoming school year will be 8.0 percent. That is an increase over last year's percentage of 4.5 percentage points from 3.5 percent.

Once again, we thank the Board of Education for your commitment to the students, parents, and staff of Pueblo School District No. 60 and for supporting the District's community-based, goal-driven budget development process. We hope this budget provides the resource plan to meet our District's mission, vision, and Strategic Plan objectives in FY 2023-24.

STUDENT FEES RESOLUTION
FISCAL YEAR 2023-24
