

Benefits Guide

2023

January 1, 2023–December 31, 2023

Welcome

Your benefits are an important part of your overall compensation. We are pleased to offer a comprehensive array of valuable benefits to protect your health, your family and your way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you may receive.

Eligibility

All contracted employees who work 30 hours or more per week are eligible for all benefits outlined in this summary. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- Your legally married spouse
- Your registered domestic partner (RDP) and/or children, where applicable by state law.
- Your children who are your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply) through the end of the year in which they turn 26. Disabled children age 26 or older who meet certain criteria may continue on your health coverage. Please see the voluntary benefits summary plan documents for the cutoff age for children, as the age may vary.

When Coverage Begins

New Hires: You must complete the enrollment process within 30 days of your effective date. If you enroll on time, coverage is effective on the first of the month following your date of hire. If you fail to enroll on time, you will NOT have benefits coverage except for employer-paid life insurance. Your next opportunity to enroll in coverage will be at the next annual open enrollment period.

Open Enrollment: Changes made during Open Enrollment are effective January 1, 2023.

How to Enroll: To make your benefit elections, please logon to the Employee Navigator Self-Service Center.

www.employeenavigator.com/benefits/account/login
Company identifier: PUEBLO

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next Annual Open Enrollment Period, unless you have a qualified life event during the year. Following are examples of the most common qualified life events:

- Marriage or divorce
- Birth or adoption of a child
- Child reaching the maximum age limit
- Death of a spouse, RDP, or child
- Change in child custody
- Change in coverage election made by your spouse during his/her employer's Open Enrollment Period
- Loss of Eligibility for Medicaid/CHIPRA (60 days notification)
- Spouse's/RDP's employment or termination of employment

Making Changes

To make changes to your benefit elections, you must contact Human Resources within 31 days of the qualified life event (including newborns). Be prepared to show documentation of the event such as a marriage license, birth certificate, or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment Period to make your election changes.

We've gone mobile! Access your benefits, look up carrier contact information, watch helpful education videos, access your benefit guide and summaries, and more!

Simply go to the Apple App Store or Google Play on your device.

- Download the "Benefit Spot" app
- Whenever you launch the app, enter company code [District60](#) to access our plan information. ***NOTE: The company code is case sensitive.***
- You're ready to go!

Required Information— When you enroll, you will be required to enter a Social Security Number (SSN) for all covered dependents. The Affordable Care Act (ACA), otherwise known as health care reform, requires the district to report this information to the IRS each year to show that you and your dependents have coverage and are not subject to a federal tax penalty. This information will be securely submitted to the IRS and will remain confidential.

Medical Plans

We are proud to offer you a choice between four Kaiser Permanente HMO medical plans that provide comprehensive medical and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle.

Out-of-Area Dependent Coverage

All four medical plans include **Out-of-Area Dependent Coverage** which provides coverage for your dependents while they are away from home. Kaiser Permanente covers routine, continuing, and follow-up care, outside of any Kaiser Permanente service area, for any out-of-area dependent enrolled in the plan. Out-of-area services are limited to covered, non-urgent medical needs. Medically necessary urgent and emergency care are always covered for dependents while out of the service area.

The out-of-area dependent benefit will cover:

- Up to 5 office visits
- Up to 5 diagnostic X-rays
- Up to 5 prescription drug fills
- Up to 5 combined therapy visits (physical, occupational and speech)

Applicable coinsurance/copayments apply. Please refer to the supplemental flyer for list of exclusions. Out-of-area dependent benefits are subject to all terms and conditions of your plan. Claims for covered services that are medically necessary will be covered. If the provider bills Kaiser directly, you will not need to submit a claim. If the dependent pays out-of-pocket, submit the bill to Kaiser Permanente for reimbursement.

The Plus Benefit

The DHMO 2500 30% Plus and DHMO 2000 20% Plus plans include the **Plus Benefit**, where your choices are covered. Choose to see any licensed provider, anytime, up to a set number of visits or covered outpatient medical services each year. So if you have a provider you love, you don't have to switch. Your visits will still be covered, as long as you do not exceed the annual visit limit.

You can use your visits for these types of items/services:

- Routine office visits, including primary, preventive and specialty care, as well as mental health and chemical dependency
- Diagnostic lab tests, X-rays, special procedures, and selected articles of durable medical equipment provided during the office visit (each test, piece of equipment, and X-ray counts separately toward your limit)
- Physical, occupation and speech therapy office visits
- Allergy injections received at an office

Your cost share (copay or coinsurance) is the same as, or similar to, the cost for these services in your DHMO plan. However, your costs under the Plus Benefit **do not** apply to your deductible or out-of-pocket maximum for the year.

All other services, including but not limited to, inpatient services, outpatient surgery, prenatal, and maternity care are covered only under your DHMO plan benefits, which means you'll need to use an in-network provider. Services not covered under your DHMO plan benefits will not be covered under your Plus Benefit. Please see supplemental flyer for a complete list of limitations and exclusions, along with additional benefit information.

First Fill Rx for Maintenance Medications

What are maintenance medications? These are prescription medications that you take for an extended period of time (months or even years). Examples include medications to treat blood pressure, high cholesterol, diabetes (such as insulin or Metformin), asthma, or even birth control pills. The first time you fill a maintenance medication prescription, you can fill it at either a Kaiser Permanente Medical Office Building pharmacy or a contracted network pharmacy. But for subsequent refills, you will then have to fill the prescription at either a Kaiser Permanente Medical Office Building pharmacy or through the mail order program. If you use the mail order program, you will get up to a three month supply for the cost of two months' copays.

For non-maintenance medications, such as antibiotics, short-term pain medications, etc., you may still fill your prescription at your local contracted network pharmacy or use a Kaiser Permanente Medical Office Building pharmacy.

The following pharmacies are contracted with Kaiser Permanente in Pueblo County:

- King Soopers (two locations)
- Walgreens (five locations including Pueblo West)
- Wal-Mart (four locations including Pueblo West)
- Kaiser Medical Office Building (two locations)

*See product brochure for complete breakdown of benefit duration based on age when disability begins.

Employee Assistance Program

Life is full of challenges, and sometimes balancing it is difficult. We are proud to provide a confidential program dedicated to supporting the emotional health and well-being of our employees and their families. The EAP is provided at NO COST to you through Profile EAP through Centura Health.

The EAP can help with the following issues, among others:

- Mental health
- Child and eldercare
- Relationships or marital conflicts
- Grief and loss
- Legal or financial issues
- Substance Abuse

EAP Benefits

- Assistance for you and your household members
- Unlimited toll-free phone access and online resources
- Up to six (6) in-person sessions with a counsellor per issue, per year, per individual

Get matched with a licensed therapist based on your own preferences (gender, age, orientation, BIPOC, faith) and needs (stress, anxiety, LGBTQ, depression, couples therapy, teen counseling, addictions, grief, etc.).

To schedule a telehealth appointment directly go to <https://profileeap.eapintake.com> to fill out the registration form and click on SUBMIT. Call 1-800-645-6571 to speak with a Profile EAP staff.

Voluntary Benefits

During the enrollment period, you have an opportunity to purchase voluntary benefits at affordable group rates. For most plans, benefits are paid directly to you –not to a doctor or health care provider.

VOYA Accident Insurance

Accident insurance can soften the financial impact of an unexpected, non-work-related accident by providing a monetary benefit to help cover unexpected costs related to treating your injuries. Benefits are paid directly to you. Coverage is also available for your spouse and dependents.

VOYA Critical Illness

Did you know that the average total out-of-pocket cost related to treating a critical illness is over \$7,000? With critical illness insurance, you'll receive a lump-sum benefit if you are diagnosed with a covered condition (e.g., heart attack, cancer or stroke) to pay for treatments, prescriptions, travel, living expenses and more.

AFLAC Hospital Indemnity

The average cost of a hospital stay is \$10,000 and the average length of a stay is 4.8 days. Hospital indemnity insurance can help reduce costs by paying you or a covered dependent a benefit to help cover your deductible, coinsurance and other out-of-pocket costs.

TeleHealth

Three-part program: 1) TeleDoc helps you when unexpected medical conditions arise and you're not able to see your PCP right away; 2) Health Advocate helps you understand the ins and outs of the health care system and how to navigate through it; 3) eDocAmerica, provides you with 24/7 access to web-based answers to medical questions from an expert team of board certified physicians, psychologists, pharmacists, dentists, dieticians and fitness trainers.

Nationwide Pet Insurance

Pets are always there for us - on good days and bad. Which is exactly why Nationwide won't let them down.

You care about your pets and consider them members of your family. So whether your family includes kids with two feet or kids with four paws-or both—you know what responsibility looks like.

You can choose the level of coverage that fits your needs. You have the choice to choose your level of coverage on vet bills and more. You can visit any vet anywhere, submit your claim, and receive reimbursement based on your level of coverage.

Get a fast, no obligation quote during annual open enrollment, as a new hire, or when you bring your new pet home. You may go online or call.

Dental Plans

Staying healthy includes obtaining quality dental care for you and your family. The Delta Dental PPO Plus Premier plan offers you the freedom and flexibility to use the dentist of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you choose a dentist who participates in the Delta Dental PPO network.

You can choose between an annual maximum of \$1,000 per person per year (base plan) or an annual maximum of \$1,500 per person per year (buy-up plan).

Following is a high-level overview of the coverage available. See Dental Benefit Summary for complete plan details.

Determining Your Monthly Contribution

Pueblo School District 60 contributes up to \$520 per employee per month towards the cost your enrollment in the medical, dental and vision plans. You may elect any medical plan for you and your eligible dependents for 2023. You may also make a separate election for you and your eligible dependents for dental and vision. While you may choose either the base or buy-up plan for the dental and the exam only or buy-up plan for vision, the level of coverage (who is covered) will be the same for both plans.

Your monthly cost is the amount in excess of \$520, if any. Use the worksheet below to enter the premium for the medical plan you have selected based on who you are covering as well as the dental and vision plans based on who you are covering. Any unused amount is forfeited back to Pueblo School District 60.

	+		-	\$520	=	
Medical Monthly Premium		Dental + Vision Monthly Premium		Pueblo School District 60 Contribution		Your Monthly Cost (If balance is greater than \$0)

Section 125 Plan: Pre-taxing your monthly contribution amount

Section 125 of Internal Revenue Service (IRS) allows participants in the Pueblo School District 60 Section 125 Plan to save taxes by electing to pay their share of premiums for certain health coverage on a pre-tax basis. Your election will remain in effect throughout the plan year, unless you have a qualified life event.

Thinking of retiring?

Employees who are considering retirement within three to five years may want to elect to have their premiums deducted after taxes are withheld from their earnings, in order to maximize their retirement benefit. Please consult your personal tax advisor or PERA for more information on your retirement benefits.

Health Savings Account

The HSA 3500 Embedded Deductible plan gives you the freedom to seek care from the provider of your choice within the HMO network. In addition, the HSA 3500 Embedded Deductible plan has an optional health savings account (HSA) administered by Wex that allows you to save pre-tax dollars to pay for any qualified health care expenses as defined by the IRS, including most out-of-pocket medical, prescription drug, dental and vision expenses.

Here's how the medical plan works:

- **Annual Deductible:** you must meet the entire annual deductible before the plan starts to pay for non-preventive medical and prescription drug expenses.
- **Coinsurance:** Once you've met the plan's annual deductible, you are responsible for a percentage of your medical expenses, which is called coinsurance. The plan pays 70% and you pay 30%.
- **Out-of-Pocket Maximum:** Once your deductible and coinsurance add up to the plan's annual out-of-pocket maximum, the plan will pay 100% of all eligible covered services for the rest of the calendar year.

Here's how the HSA works:

- You contribute pre-tax funds to the HSA through automatic payroll deductions.
- Your contributions may not exceed the annual IRS limits listed below.
- You can withdraw HSA funds tax-free to pay for current qualified health care expenses, or save them for the future, also tax-free. Unused funds roll over from year to year and are yours to keep, even if you change medical plans or leave you leave the district.

HSA Contribution Limit	2023
Employee Only	\$3,850
Family (employee + 1 or more)	\$7,750
Catch-up (age 55+)	\$1,000

Important Notes:

- You must meet certain eligibility requirements to have an HSA: You must a) be at least 18 years old, b) be covered under a qualified HDHP, c) must not be enrolled in Medicare and d) cannot be claimed as a dependent on another person's tax return. For more information, please refer to IRS Publication 969.
- For a complete list of qualified health care expenses, refer to IRS Publication 502.
- Adult children must be claimed as dependents on your tax return for their medical expenses to qualify for payment or reimbursement from your HSA.

Flexible Spending Accounts

We provide you with an opportunity to participate in two different flexible spending accounts (FSAs) with Discovery Benefits. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses.

Because that portion of your income is not taxed, you pay less in federal income, PERA and Medicare taxes.

Health Care FSA

In 2023, you may contribute up to \$2,850¹ to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. Some qualified expenses include:

- Coinsurance
- Copayments
- Deductibles
- Prescriptions
- Dental treatment
- Orthodontia
- Eye exams/eyeglasses
- Lasik eye surgery

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

This benefit is not available to those employees who are covered by the HSA 3500 Embedded Deductible plan. You may contribute to the health savings account (HSA).

¹Subject to change pending updated IRS regulations.

Dependent Care FSA

For 2023, you may contribute up to \$5,000 (per family) to cover eligible dependent care expenses (\$2,500 if you and your spouse file separate tax returns). Some eligible expenses include:

- Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers
- Care of a household member who is physically or mentally incapable of caring for him/herself and qualifies as your federal tax dependent

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p503.pdf.

FSA Rules

**YOU MUST ENROLL
EACH YEAR TO
PARTICIPATE.**

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

Health Care FSA:
Unused funds will NOT be returned to you. Your grace period allows you to incur expenses up until March 15, 2024 using funds contributed during the 2023 benefit plan year, and you must file claims by April 14, 2024.

Dependent Care FSA:
Unused funds will NOT be returned to you. Your grace period allows you to incur expenses up until March 15, 2024 using funds contributed during the 2023 benefit plan year, and you must file claims by April 14, 2024.

Life and AD&D Insurance

Life Insurance provides your named beneficiary with a benefit in the event of your death.

Accidental Death and Dismemberment (AD&D) Insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye). In the event that your death occurs due to a covered accident, both the life and AD&D benefits would be payable.

Basic Life/AD&D (Employer-paid)

These benefits are provided at NO COST to you through VOYA.

Who is Covered	Benefit Amount
Employee	2 x your Annual Salary up to \$500,000 maximum benefit
Spouse	\$1,000 life only (no AD&D)
Children up to age 26	\$1,000 life only (no AD&D)

Voluntary Life/AD&D (Employee-paid)

If you determine you need more than the basic coverage, you may purchase additional coverage through VOYA for yourself and your eligible family members.

Benefit Option		Guaranteed Issue ¹
Employee ²	Choice of \$10,000 increments, up to 5 times your annual salary, not to exceed \$300,000	\$100,000
Spouse ²	Choice of \$5,000 increments, up to \$150,000, not to exceed 50% of the employee election amount	\$20,000
Children ³	\$10,000	\$10,000

¹During your initial eligibility period only, you can receive coverage up to the Guaranteed Issue amounts without having to provide Evidence of Insurability (EOI, or information about your health). Coverage amounts that require EOI will not be effective unless approved by the insurance carrier.

²Portability and/or Conversion are available for employee and spouse coverage.

³Life insurance benefits for your dependent children terminate at age 19 or 26, if full-time student.
