

The end of the year is just right around the corner SENIORS!

We wanted to share with you some upcoming dates and deadlines. We will keep you updated as other things come along.

We anticipate a Senior Meeting before Spring Break. Look for the day, time in your student email.

College Tracks is here to help! In your Google Classroom is a class labeled “CENTRAL COLLEGE & CAREER CLASS”. Check it out! Lacey and her team can help your start your path to selecting a college, work on FAFSA, Scholarships, and much more.

Already getting scholarship offers? WONDERFUL! Please keep track of them. Mrs. Huffman will need a complete list (Name of scholarship, how much, renewable) in May. Even if you are not accepting the scholarship, it is still an offered scholarship that you have earned. Attached you will find a basic spreadsheet attach to start keeping track.

Have you ordered your cap and gown yet?

Visit Jostens.com and place your order.
