# EAST HIGH SCHOOL ATTENDANCE POLICY

**RATIONALE:** Regardless of a child's age, the basic responsibility for attendance at school lies with the student and his / her parents or guardian. The intent of the attendance policy at East High School is to require students to attend class to maximize learning opportunities to achieve district and state goals, requirements, and standards.

**DISTRICT 60 BOARD POLICY** School Board  
Policy JH Title: Student Absences and  
Excuses/Tardiness

Regular and punctual attendance is a significant factor in a student's ability to succeed in school. Frequent absences may lead to poor academic work, lack of social development, and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment, and scholastic achievement. No single factor may interfere with a student's progress more quickly than frequent tardiness or absence.

Procedure to address unexcused absence and excused absence attendance issues:

The schools shall monitor all student absences and keep separate daily breakdowns of unexcused absences, unexcused tardies, excused absences, and excused tardies. Teachers will monitor the student's absence. Should the student begin to fall behind in his/ her work because of absences, **the teacher will** contact the parents by phone or letter to inform them of a possible failure and contact the student's counselor.

**ABSENCES-ASSEMBLY DAYS** On days when assemblies are held, students with pre-arranged appointments must present a note to the attendance office for the pre-arranged absence no later than 8:00 a.m. Absences on assembly days will be considered unexcused unless a doctor's note is presented. Our attendance office has been overwhelmed on assembly days with last-minute requests to excuse absences.

**ABSENCES-SCHOOL APPROVAL FOR EXTRACURRICULAR EDUCATIONAL EXPERIENCES** A student's request to participate in extracurricular educational experiences outside of the school building may be approved for up to five days under certain circumstances and on a case-by-case basis. Any absences beyond the five days shall be treated as unexcused. Approval shall be left to the discretion of the school's principal. The principal shall use the following criteria in determining whether a student is permitted to engage in said extracurricular educational experiences:

- The student is in good academic standing (passing all classes with a grade of C);
- The student has no unexcused absences and no unexcused tardies;
- The student has 5 or fewer excused absences in a semester or 9 or fewer excused absences for the school year
- The student who is pursuing a work-study program under the supervision of the school.
- The student who is attending any school-sponsored activity or activities of an educational nature with advance approval by the administration.

Regular and punctual attendance is expected EVERY day of EVERY STUDENT in EVERY class in accordance with the East High Attendance Policy. Excessive absences may result in failure if work is not made up.

**ABSENCES-EXCUSED** To excuse your student please call the attendance secretary at 549-7222. This phone is available 24 hours a day if you need to leave a message; please notify the school as soon as you know your child will be absent. Please refer to DISTRICT 60 BOARD POLICY JH under Student Absences and Excuses/Tardiness in the Student Conduct & Discipline Code Book for a list of acceptable excuses.

## ABSENCES-PRE-ARRANGED

- Students will only be allowed to obtain a **Request for Absence Form**, from their Assistant Principal/Principal.
- A **Request for Absence Form** will be signed "OK", if approved, by an Assistant Principal to the student presenting the request to their teacher.
- The student must return the **Request for Absence** to the main office with proper signatures in order for the absence to be excused. The form must be turned in prior to the absence.
- **Baby-sitting, working, concerts, job interviews, etc. will not be excused.**

## **ABSENCES-UNEXCUSED**

An unexcused absence is an hourly absence that is unexplained or unauthorized and will not be accepted by the school as per District policy.

The student will lose credit points for each class missed but will be expected to make up work so as not to fall behind in each class. Students will have two (2) days to clear absences before credit can be given. See the TRUANCY section for consequences.

## **ABSENCES – MAKE-UP WORK**

Make-up work shall be provided for any class in which a student has an excused absence unless otherwise determined by the building administrator. There shall be one day allowed for make-up work for each day of absence. It is the responsibility of the student to pick up any make-up assignments permitted on the day he or she returns to class. Make-up work shall be allowed following a suspension with the goal of providing the student an opportunity to keep up with the class and an incentive to attend school.

## **TARDINESS**

Tardiness is defined as the appearance of a student without a proper excuse after the scheduled time that a class begins.

- Students who arrive to class late within the first 10 minutes without an approved excuse will be considered unexcused tardy. Accumulation of unexcused tardies is subject to consequences.
- Students who arrive to class more than 10 minutes late without an approved excuse will be considered absent (unexcused) for that class period. Accumulation of unexcused absences is subject to consequences.
- Tardy Sweeps will be held periodically throughout the school year and consequences for being caught in a sweep will be assigned. Consequences for Tardy Sweeps include Detention, Friday School, ISE, and Suspension.

## **TARDIES-CONSEQUENCES**

The consequences for tardies are referenced per each period for infractions and ACCUMULATE per each nine-week period.

- Tardies 1-5 = detention
- Tardies >5 = ISE
- Tardies 11+ = attendance contract, referral to Truancy court

If a student misses an entire class excused or unexcused and is reporting to school for the first time that day, he/she must report to the main office for a tardy slip.

A student will be counted excused when out of school because of a school activity such as: a field trip, debate trip, music trip, JROTC trip, athletic trip, etc. The student will be required to make up the work missed in these classes.

If a student needs to leave school, he or she **must** contact the attendance secretary, counselor, or assistant principal to obtain an **Excused by the Office Slip**. **IF A STUDENT DOES NOT SIGN OUT, IT WILL COUNT AS AN UNEXCUSED ABSENCE**. If a student leaves school for a **Doctor** or **Court appointment**, he/she is required to bring a **signed note from the doctor/court upon return to school**.

## **TRUANCY**

Any absence from a class or an activity of which neither parent, guardian, nor the school is aware of at that time, is considered a truancy. A truancy may be a full day or any part thereof. **All unexcused absences** must be cleared through the main office.

## **TRUANCY-CONSEQUENCES:**

- Assigned to detention (after school and/or lunch detention)
- Assigned to ISE

The student will be responsible for making up all the “regular” class work missed while in ISE and should meet with teachers prior to ISE to obtain work and explanations of classwork requirements.

- Communication is not allowed with other students in ISE.
- Electronic device and cell phone use is not allowed in ISE.
- Restroom breaks – one in the morning and one in the afternoon.
- Students will be seated at all times in assigned study carrels/desks.

- Failure to comply with these expectations will result in disciplinary action. .

**DETENTION** One hour **AFTER SCHOOL** or fifteen-minute **LUNCH DETENTION** with academic or school service assignments will be successfully completed during each detention period. **NOTE:** If a student “skips” detention, or fails to complete the detention assignments diligently, Friday School or ISE will be assigned. If a student “refuses” detention, Friday School, or ISE, suspension will result and conditions for readmission to East High will include completion of original Detention and/or ISE.

**DUE PROCESS** School District No. 60 adheres to the constitutional principle that a student must be guaranteed due process whenever involved in a disciplinary situation which might result in suspension, expulsion, or recommendation for adjustment transfer. The minimum constitutional requirements of due process mandate the student be given:

1. Oral or written notice of the charges against him/her;
2. Explanation of the evidence school authorities have;
3. An opportunity for the student to admit or deny the alleged violation and to give his / her side of the story;

All students may use these devices on campus before school begins and after school ends. Students in high school grades 9-12 also may use such devices during lunch periods.

These devices must be kept out of sight and on off mode during the instructional program. Unauthorized use of such devices disrupts the instructional program and distracts from the learning environment. Therefore unauthorized use is grounds for confiscation of devices by school officials, including classroom teachers. For a first offense, the student may pick up his or her device from a school teacher at the end of the class period and the parent/guardian will be notified by the teacher. On a second offense, the device will be confiscated and kept in the principal's office until the end of the school day and the parent/guardian will be notified. Subsequent offenses will require that the parent retrieve the device and consequences for defiance will be initiated. If a student violates this policy during testing, other penalties under district policy will be administered. In addition, criminal penalties may be enforced by law enforcement if the device is used in a criminal act. Threats by text messages, cell phone messages, or internet messages will be considered a violation of the district's anti-harassment and bullying prevention policies.

- When one person has more power, the person being victimized feels that he/she can't defend him/herself. When a person, who is a target, may feel embarrassed, hurt, scared, and/or angry.
- Bullying will not be tolerated. Unacceptable behaviors that interfere with the respect, responsibility, and safety of students include all aspects of bullying:
- Physical aggression: pushing, grabbing, hitting, shoving, pinching, spitting, tripping, etc. Social alienation: gossiping, embarrassing others, ethnic slurs, excluding from a group, comments made towards a person regarding their choice of practice of an alternative lifestyle, etc.
- Verbal aggression: mocking, put-downs, using profanity at others, etc.

## **CYBERBULLYING**

Willful and repeated harm is inflicted through the use of computers, cell phones, and other electronic devices. The following are examples of cyberbullying, when they are intentional, repeated, and result in harm to another:

- Sending text messages over the Internet or using a cell phone
- Posting text, images, audio, or video to a Web page
- Sending or posting text, images, audio, or video on or over the Internet or through a cell phone network
- Sending a picture or video via the Internet or using a cell phone

Cyberbullying can result in discipline whether it occurs on or off campus, irrespective of whether it involves an electronic device at school, at home, or at a third-party location, if it results in a substantial disruption of the school learning environment as defined in this policy.

Generally speaking, any communication that has been perceived by a student as unwanted, vulgar, obscene, sexually explicit, demeaning, belittling, or defaming in nature or is otherwise disruptive to a student's ability to learn and a school's ability to educate its students in a safe environment, or that causes a reasonable person to suffer substantial emotional distress or fear of bodily injury, will be subject to discipline.

Bullying cannot be investigated or corrected by the district until the district has been made aware of such bullying. Therefore, persons are directed to report all incidents of bullying to a teacher, counselor, assistant principal or principal in their school building.

Any student found to be participating in, contributing to, and/or encouraging acts of cyberbullying and/or harassment toward another student or staff member will be disciplined. Some items that may be considered: how the misconduct affected one or more students' education; the type, frequency, and duration of the misconduct; the number of persons involved; the subject(s) of harassment or discrimination; the situation in which the incident occurred; and other related incidents at the school. Any cyberbullying that has been perceived as a criminal act, such as a threat to one's personal or physical safety should be subject to discipline and result in the notification of law enforcement.

## **SUSPENSION**

A suspension is a disciplinary action taken by a school official, which temporarily prohibits a student from attending class and other school events for a given time. Class time lost due to a suspension will be considered to be an unexcused absence and make-up work will count for no less than 100%. The full purpose of suspension can only be effective if the parents and students make the suspension period something more than a vacation from school.

## **SUSPENSION-PARENT CONFERENCE**

Specifically, when a parent conference is indicated, it is “mandatory”, and the student will not be readmitted to school until this requested conference takes place (an open-ended suspension will be in effect).

## **DISPLAY OF AFFECTION**

Relationships between students attending East High will provide for some of the fondest memories. Gestures of congratulations such as embraces and handshakes are examples of appropriate behavior. Kissing, inappropriate touching, and embracing of a personal nature between students are not acceptable. Please do not embarrass other students and staff with these acts of affection.

## **SEXUAL HARASSMENT**

Acts of sexual harassment will not be tolerated and will be dealt with in accordance with the District Policy. See Pueblo School District 60 Student Conduct and Discipline Code (file JBB and JBB-AC)

## **ANTI-HARASSMENT**

Reporting, receiving, and the consequences of bullying incidents will follow the same procedures and guidelines as the anti-harassment policies JBA and JBA-R. Any person, student, adult, school personnel, or school visitors will follow the anti-harassment policies set forth by the school board. The school district shall act to investigate all complaints of bullying formal or informal, verbal or written and to discipline or take action against any member of the school community who is found to have violated this policy. Appropriate corrective action includes taking necessary steps to end the behavior, prevent bullying from recurring, and prevent retaliation against anyone reporting the bullying investigation. In addition, the bullying shall be disciplined according to any applicable discipline policy.

The student I.D. will be used for many purposes; therefore, students are expected to carry them at all times. Students will be required to show their school ID to enter dances. We release the information of all seniors unless we have a written request to the contrary. The regulations and procedures clearly specify that it is the parent's responsibility to notify us in writing if you do not want this information on your son/daughter released. Forms for such requests will be given to students at the beginning of the school year or are available in the Counseling Office.

## Class of 2022 Grade Point Average/Latin Laude Honor System

Grade point average (GPA) for students graduating in 2022 and thereafter are calculated on the basis of a 4.0 grade point scale. Honors, Advanced Placement (AP), International Baccalaureate (IB), and college-credited courses, will receive additional weight. Grade points are awarded as follows:

Grade	Points Earned	Honors Courses	AP, IB, College	Percent Range
A	4.0	4.5	5.0	100 - 90%
B	3.0	3.5	4.0	89 - 90%
C	2.0	2.5	3.0	79 - 70%
D	1.0	1.5	2.0	69 - 60%
F	0	0	0	Below 60%

S - Satisfactory earns credit but no points

U - Unsatisfactory earns no credit and no points

GPA shall be determined by dividing the total number of points earned by the total number of classes taken in 9th, 10th, 11th, and 12th grade.

*\* Postsecondary institutions may use either weighted or unweighted GPAs for admissions and scholarships. Check with your counselor or postsecondary institutions early to determine whether a weighted or unweighted GPA is used.*

### Tiered Laude System

Graduating seniors may earn one of the three Laude Honors by meeting the following requirements:

**Summa Cum Laude** ("with the highest honor") – students earning a 3.8 GPA or higher

**Magna Cum Laude** ("with great honor") – students earning a 3.60-3.79 GPA

**Cum Laude** ("with honor") - students earning a 3.4-3.59 GPA

Honors points are to recognize students who have excelled in AP, IB, and/or college-credited courses. Honors designations are added based on the number of Laude points a student earns through their senior year:

### Number of Laude Points Laude Designation Earned by End of Senior Year

with “*Distinction*” 9 or more Laude points

with “*Honors*” 6 to 8.5 Laude points

with “*Merit*” 3 to 5.5 Laude points

### Laude System - Honors Designation

*\*Students enrolled in AP and IB courses will receive both a Laude weighted credit and Laude point with or without sitting for a national exam*

### Honor Roll and Academic Lettering

Students overall GPA will be used to determine Honor Roll and Academic Lettering each semester by using the following criteria:

- Students earning a 3.8 or higher for completing a full course load during the semester will earn an academic letter. After the initial letter, students may earn a bar by earning a 3.8 or higher in following semesters.
- Students earning a 3.4 GPA - 3.79 and completing a full course load each semester shall be recognized on the Honor Roll.

## Graduation Ceremonies

All students graduating with a Laude designation shall be recognized at graduation. The method for selecting the top scholar student commencement speaker(s) shall be determined based upon the following factors in priority order: (i) the student's Laude Designation level earned, (ii) the highest state-administered SAT test score, and (iii) cumulative grade point average.

In order to participate in the commencement exercise, students will be required to have twenty-four (24) credits and 80 hours of Community Service/Interscholastic Activity. These credits are to include all required common courses. A student must be enrolled at least one full semester at East High during their senior year in order to participate in the commencement exercise. **No student will be allowed to go through the graduation ceremony unless he/she has earned twenty-four (24) credits and 80 hours of Community Service/Interscholastic Activity.** Commencement will be held at the Colorado State Fair Events Center. Time for **Mandatory rehearsal** will be announced at a later date. Attendance at graduation rehearsal is required. If not at rehearsal, the student may not participate in commencement.

Students must be in good standing with regard to discipline to take part in the graduation ceremony.

## PRE-COLLEGIATE CURRICULUM REQUIREMENTS

Students who graduate from high school must meet the Colorado Commission on Higher Education's admission standard. The requirements are as follows:

- English 4 credits
- Mathematics 4 credits
- Science 3 credits
- Social Science 3 credits
- Academic Elective 2 credits

## IB/MYP PROGRAMME

East High School is the only high school in Pueblo School District 60 to offer the International Baccalaureate Middle Years and Diploma Programs.

- IB programmes are recognized around the world and ensure increased adaptability and mobility for IB students.
- The curriculum and pedagogy of IB programmes focus on international perspectives of learning and teaching while insisting that students fully explore their home culture and language.
- IB World Schools must undergo an exhaustive authorization process in order to offer one or more of the programmes, which includes a study of the school's resources and commitment to the IB mission and philosophy.
- IB teachers participate in a wide variety of professional development opportunities to constantly update their knowledge and share their expertise with colleagues around the world.
- Many students graduating from the Diploma Programme find that it enhances their opportunities at tertiary institutions. The IB works closely with universities around the world to gain recognition of IB programmes.
- The core components of IB programmes encourage students to participate in creative and service-oriented activities, while at the same time emphasizing the importance of reflection on a personal and academic level.

## REPORT CARDS

Academic reports are issued every nine weeks to inform the student and parent of academic progress in each class.

Progress reports are issued halfway through each grade period. Grade cards are issued four (4) times a year with only semester grades entered on the student's permanent record.

## HONOR ROLL

The purpose of the Honor Roll is to acknowledge academic achievement throughout the year. To qualify, one must have a minimum of five (5) classes, and no less than a 3.4 grade point average consisting of A's and B's. The Honor Roll is tabulated every semester.

## ACADEMIC LETTER REQUIREMENTS

An Academic Letter is determined by achieving a 4.0 WGPA for completing a full course load during a term. Letters will be awarded in the fall and the spring. To be eligible for an academic letter, students must be enrolled in a minimum of five academic courses (2.5 Carnegie units of credit).

Students cannot receive a grade lower than "B", and letter grades in honors classes will receive an additional one point (i.e., A=5, B=4; C=3, D=2, F=0). Stars (pins) will be awarded for repeated accomplishments and worn on the letter (patch).

## GRADE POINT AVERAGE

The maximum grade point average (G.P.A.) that shall be reported to colleges shall be 4.0. G.P.A. for all courses shall be determined on a 4.0 scale as follows: A = 4.0; B = 3.0; C = 2.0; D = 1.0; F = 0. The total points shall be divided by the total number of classes to determine G.P.A. Honor Roll will be determined by G.P.A. as will National Honor Society membership. Anything else not directly related to ranking will be determined by the G.P.A.

## HONOR ROLL

An "Honor Roll" is published in the Pueblo Chieftain at the end of each term, January and June, for students who have earned a 3.4 or better grade point average and have completed a full course load.

## GRADE APPEAL PROCEDURE

If a parent / and or student has a concern about a grade they should follow this procedure: (If dissatisfied with any step, proceed to the next step.)

1. Students should discuss the grade with the teacher. 2. Parents should discuss the grade with the teacher and/or counselor. Counselors will assist in arranging parent conferences. 3. If a parent is not satisfied with the above two steps, he/she may arrange for a conference with his/her child's assistant principal and the teacher. 4. Parents may arrange for a conference with the principal.

## COURSE WITHDRAWAL

1. Students dropping a course during the first seven days of a term for block courses or 14 days for year-long courses will
2. not have the dropped course recorded on the cumulative record.
3. Students dropping a course during the second through the fourth week of a term will have WP (withdraw pass) or WF (withdraw fail) recorded on the cumulative record depending on whether the student is passing or failing the course at the time of the drop. *All WF's are calculated in the cumulative grade point average.*
4. **Students dropping a course during the fifth week or during the remainder of the term will have a WF recorded on the cumulative record.**
5. The principal shall have the right to use his/her prerogative in determining unique cases concerning the SF on a cumulative record after the fourth week in a term.

Considerations used by the principal in determining the WP or WF may include:

- physical disability (temporary or permanent)
- family need
- doctor recommendation
- other valid reason

**Class drops for Post-Secondary Options Program, Senior to Sophomore (STS), AVEP, or Early College, must be made in accordance with the university/college and school district rules. A student who drops one or more of the classes after the designated drop period, the student and/or parent will be responsible for paying Pueblo School District 60 for the respective class(es).**

## POST-SECONDARY OPTIONS PROGRAM, SENIOR TO SOPHOMORE PROGRAM

Students at East High have the opportunity to take college courses under the Post-Secondary Option Legislation. The courses are open to juniors and seniors and proper application procedures are necessary. Application procedures vary and the help of your counselor is necessary.

## **PSEO ENROLLMENT DIRECTIONS:**

1. Counselor will meet with the student(s).
2. Student's needs and most viable programs should be discussed.
3. Post-Secondary (P.S.O.) offers classes on college campus (CSU PUEBLO/ P.C.C.) Senior Sophomore (S.T.S.) classes are in high school.
4. Counselors should discuss the advantages/disadvantages of each program (e.g. transportation, cost of fees, books) with the student.
5. The student should select classes from current college bulletins for PSO Programs or S.T.S. list of offerings with counselor assistance.
6. The student needs to write tentative plans or complete a form (P.S.O.) Parent(s) should endorse the application form. This is important.
7. Forms should be signed by the student's parent(s), counselor, and principal.
8. Student athletes need to be enrolled in 5 classes each of 1/2 Carnegie credits for a total of 2.5 Carnegie credits in order to be eligible for C.H.S.A.A. competition. Only those classes that offer dual (college and high school) credit fulfill the requirement.
9. Students and counselors should discuss which of the above-mentioned programs will best meet the student's needs. Parents should be kept informed by the student.
10. Deadlines for enrollment will be June 15 (for 1st semester) and November 15 (for second semester) of each year.
11. Students failing the class or withdrawing after the deadline will be responsible for tuition costs.

## **POST-SECONDARY OPTIONS PROGRAM (Programs at CSU-PUEBLO and P.C.C.)**

1. Post-Secondary Options classes which are acceptable will grant both high school and college credit.
2. Post-Secondary classes must satisfy a student's graduation requirement(s) in order for payment by District No. 60. A Post-Secondary Options class should help satisfy the number of credits needed for graduation or substitute for a required class, such as a core course (e.g. Language Arts, Math, Science, or Social Studies).
3. Students must be 20 years of age or less and an 11th or 12th grader.
4. District No. 60 will pay tuition only. Tuition costs are subject to change.

  - a. one book.
7. Students are to provide their own transportation to the College or University.
8. Counselors need to help students complete applications (using the current college bulletin). Please include prefix, course
  - b. number, course title, and times offered. Applications without this information will not be processed.
9. Applications must include a copy of the student's transcript (or completed class list) and a copy of the current or last class
  - c. schedule.
10. Enrollment is on the basis of space availability in each class.
11. The college/university can deny enrollment because of class requirements.
12. The student must complete a CSU-PUEBLO application (blue form) for admission and include a parental signature.
13. If the counselor feels good about the student's application, the student does not need to go to CSU-PUEBLO and meet with the admissions officer. Questions will be gladly answered for the counselor and student over the telephone, at 549-2434.
14. Parents will be billed (initially) for tuition and fees by the CSU-PUEBLO Business Department because the post-secondary option is a small part of their transitions. Parents need to pay the fees and there is a late charge of \$10.00.
15. If the student has participated in the Post-Secondary Option Program in the Fall Semester, he/she does not need to complete a CSU-PUEBLO application form again.
16. Students failing the class or withdrawing after the deadline will be responsible for tuition costs.

## **GENERAL STUDENT INFORMATION**

### **ILLNESS, ACCIDENT, OR INJURY**

**In case of illness, accident, or injury, a student should go to the main office or to the Wellness Center. The secretarial staff will then notify the parent/guardian. Students who leave the building without following this procedure will be counted as unexcused.**

**MEDICATION** Students who have been prescribed medication by a doctor and need to receive it during the school day should make arrangements with their counselor or the Wellness Center. This will help with the student's safety and avoid suspicion of substance abuse. Medication will be dispensed in accordance with School District No. 60 policy.

To the parent/guardian of students that have/had an IEP or IFSP

### **Colorado Department of Education School Health Services Program Notification to Access Benefits**

The Department of Health and Human Services sponsors a program allowing our district to seek reimbursement for health-related services provided to children with Medicaid health insurance. This program helps our district to maximize federal funds for support of additional health services in our schools.

The Colorado Department of Education and the District will request parental permission to provide health-related services to each child and to release and exchange medical and other confidential information, as necessary, to the Department of Health Care Policy and Financing (Medicaid), whether directly or through a contracted billing agency, for health services provided to each child after the date of this notification. Information released may include personally identifiable information, records, or information about the services that may be provided to each child. The purpose of the disclosure is to access the child's public benefits to receive Medicaid reimbursement for said services.

The District, the Department of Health Care Policy and Financing, and the contracted billing agency, if any, require my permission to send claims to Medicaid and receive payment from Medicaid for health-related services as set forth in my child's IEP or IFSP.

Medicaid reimbursement for health-related services provided by the district and the Colorado Department of Education will not affect any other Medicaid services for which a child is eligible. Each child will receive the services listed in the IEP regardless of whether or not a child is enrolled in public benefits. If a parent refuses to allow access to the Department of Health Care Policy and Financing, it does not relieve the District of its responsibility to ensure that all required services are provided to the child at no cost to the parent.

The granting of consent is voluntary and may be revoked at any time. If a parent later revokes consent, that revocation is not retroactive (i.e., it does not negate an action that has occurred after the consent was given and before the consent was revoked).

The District and the Colorado Department of Education will operate under the guidelines of the Family Educational Rights and Privacy Act (FERPA) to ensure confidentiality regarding each child's treatment and provision of health-related services.

### **IMMUNIZATIONS**

See the letter and chart on the following pages.

## Dear parents/guardians of students attending Colorado kindergarten - 12<sup>th</sup> grade schools for the 2023-24 school year:

We know you're thinking of all the things you need to do to make sure your student is ready for school. Getting vaccinated is an important part of their school readiness and keeps children from catching and spreading diseases that can make them sick and potentially disrupt in-person learning.

### Required and recommended vaccines:

- Colorado law requires students who attend a public, private, or parochial Kindergarten - 12th grade school to be vaccinated against many of the diseases vaccines can prevent unless a *Certificate of Exemption* is filed. For more information, visit [cdphe.colorado.gov/schoolrequiredvaccines](https://cdphe.colorado.gov/schoolrequiredvaccines). Your student must be vaccinated against:
  - Diphtheria, tetanus, and pertussis (DTaP, Tdap).
  - Hepatitis B (HepB).
  - Measles, mumps, and rubella (MMR).
  - Polio (IPV).
  - Varicella (chickenpox).
- Colorado follows recommendations set by Centers for Disease Control and Prevention's (CDC) Advisory Committee on Immunization Practices. **Prior to starting Kindergarten**, students must receive their final doses of DTaP, IPV, MMR, and varicella. **Prior to starting sixth grade**, students must receive one dose of Tdap vaccine, even if the student is younger than 11 years. You can view recommended vaccine schedules at: [www.cdc.gov/vaccines/schedules/easy-to-read/child-easyread.html](https://www.cdc.gov/vaccines/schedules/easy-to-read/child-easyread.html) (birth through 6 years) or [www.cdc.gov/vaccines/schedules/easy-to-read/adolescent-easyread.html](https://www.cdc.gov/vaccines/schedules/easy-to-read/adolescent-easyread.html) (7 to 18 years).
- CDC also recommends vaccines for COVID-19, hepatitis A (HepA), human papillomavirus (HPV), influenza (flu), and meningococcal disease (MenACWY and MenB), but these are not required for school entry in Colorado.

### Exclusion from school

- Your student may be excluded from school if your school does not have an up-to-date *Certificate of Immunization*, *Certificate of Exemption*, or an in-process plan on file for your student.
- If someone gets sick with a vaccine-preventable disease or there is an outbreak at your student's school and your student has not received the vaccine for that disease, they may be excluded from school activities. That could mean lost learning time for them and lost work and wages for you. For example, if your student has not received a MMR vaccine, they may be excluded from school for 21 days after someone gets sick with measles.

### Have questions?

Talk with a health care provider or your local public health agency (LPHA) about which vaccines your student needs or if you have questions. You can find a vaccine provider at [cdphe.colorado.gov/immunizations/get-vaccinated](https://cdphe.colorado.gov/immunizations/get-vaccinated). You can read about the safety and importance of vaccines at [www.cdc.gov/vaccines/parents/FAQs.html](https://www.cdc.gov/vaccines/parents/FAQs.html), [childvaccine.org](https://childvaccine.org), [ImmunizeForGood.com](https://immunizeforgood.com), and [cdphe.colorado.gov/immunization-education](https://cdphe.colorado.gov/immunization-education). Staying up to date on routine immunizations is important for adults, as well as children. We encourage parents and guardians to find out what vaccines might be due. It's never too late for families to get back on track! Learn more about vaccines for adults at [www.cdc.gov/vaccines/adults/rec-vac/index.html](https://www.cdc.gov/vaccines/adults/rec-vac/index.html).

### Paying for vaccinations

If you need help finding free or low-cost vaccines and providers who give them, go to [COVax4Kids.org](https://COVax4Kids.org), contact your local public health agency (find LPHA contact information at [cdphe.colorado.gov/find-your-local-public-health-agency](https://cdphe.colorado.gov/find-your-local-public-health-agency)), or call the Mile High Family Health Line at 303-692-2229 or 1-800-688-7777 to ask about Medicaid contact information and health clinics located in your area.

### Vaccination records

- Share your student's updated *Certificate of Immunization* with their school every time they receive a vaccine.
- Need to find your student's vaccine record? It may be available from the [Colorado Immunization Information System \(CIIS\)](https://Colorado Immunization Information System (CIIS)). Visit [COVaxRecords.org](https://COVaxRecords.org) for more information, including directions for how to use the CIIS Public

Portal to view and print your student’s vaccine record.

### Exemptions

- If your student cannot get vaccines because of [medical reasons](#), you must submit a *Certificate of Medical Exemption* to your school, signed by a physician (MD, DO), advanced practice nurse (APN), or delegated physician assistant (PA). You only need to submit this certificate once, unless your student’s school or information changes. You can get the form at [cdphe.colorado.gov/vaccine-exemptions](http://cdphe.colorado.gov/vaccine-exemptions).
- If you choose not to have your student vaccinated according to Colorado’s school vaccine requirements for reasons that are nonmedical, you must submit a *Certificate of Nonmedical Exemption* to your school. Nonmedical exemptions must be submitted annually at every new school year (July 1 through June 30). There are two ways to file a nonmedical exemption.
  1. File the *Certificate of Nonmedical Exemption* WITH the signature from an immunizing provider in Colorado who is a physician (MD, DO), advanced practice nurse (APN), delegated physician’s assistant (PA), registered nurse (RN), or pharmacist licensed in Colorado; OR
  2. File the *Certificate of Nonmedical Exemption*, which you will be able to access upon completion of the state’s online immunization education module.
- Downloadable certificates and a link to the online education module are available at [cdphe.colorado.gov/vaccine-exemptions](http://cdphe.colorado.gov/vaccine-exemptions).

### How’s your school doing on vaccinations?

Some parents/ guardians/caregivers, especially those with students who have weakened immune systems, may want to know which schools have the highest immunization rates. Annually, schools must report immunization and exemption numbers (but not student names or birth dates) to the state health department. Schools do not control their specific immunization and exemption rates or establish the Vaccinated Children Standard described in [§25-4-911, CRS](#). Schools must include their MMR immunization and exemption rates from the most recently completed school year in this letter. Schools may choose to also include immunization and exemption rates for other school-required vaccines. Additional immunization and exemption rates can be found at [COVaxRates.org](http://COVaxRates.org).

2. The district will provide upon request an immunization reporting form. The school nurse is responsible for seeing that required information is included on the form and transferred to an official certificate of immunization as required.
3. If there is a failure to comply with the immunization requirements, the school nurse will personally notify the parent/guardian or emancipated student. Such notification will be accomplished either by telephone or in person. If this is not possible, contact will be by mail. Emancipated Students must be contacted directly rather than through their parents/guardians.

The parent/guardian or emancipated student will be notified of the following:

- a. that up-to-date immunizations are required under Colorado law.
  - b. that within fourteen (14) days of notification, the parent/guardian must submit either an authorization for administration of the immunization by health officials or a valid exemption or documentation to the school showing that the next required immunization has been given and a written plan for completion of all required immunizations.
  - c. that if the required documentation is not submitted within fourteen (14) days of notification or if the student begins but does not continue or complete the written plan, the student will be suspended or expelled.
4. A student who fails to comply shall be suspended by the principal for up to five days and notice of the suspension sent to the Health Department.
  5. If no certificate of immunization is received during the period of suspension, the superintendent will institute proceedings for expulsion.
  6. Any suspension or expulsion under this policy will terminate automatically upon compliance.
  7. Record of any such suspension or expulsion will be contained in the student's health file, with an appropriate explanation, not in the student's disciplinary file.

Any student expelled for failure to comply with the immunization requirements will not be included in calculating the dropout rate, but will be included in the annual report to the State Board of Education.

### **Students in out-of-home placements**

The following procedure shall apply to students in out-of-home placements, as that term is defined by C.R.S. 22-32-138(1)(e).

Unless the district or school is otherwise authorized to deny enrollment to a student in out-of-home placement, the district or school shall enroll the student regardless of whether the district or school has received the student's immunization records. Upon enrolling the student, the school shall notify the student's legal guardian that unless the school receives the student's

certificate of immunization or a written authorization for administration of immunizations within fourteen (14) days after the student enrolls, the school shall suspend the student until such time as the school receives the certificate of immunization or authorization.
