

Summer Project: 2021

Your assignment is to compare, contrast, and evaluate a novel and its film adaptation. You will need to select a novel to read that has a film adaptation, both of which you will study over the summer. You will be responsible for obtaining a copy of the book and the film yourself. Before selecting and reading a novel, make sure that you have access to the film. Starting July 5th, you will need to respond to weekly questions and posts in the Summer Project Google Classroom.

When you are finished with your reading and analysis, you will write a five-paragraph essay. The first paragraph should broadly introduce the story. The second paragraph should compare the book to the film, explaining how they are similar. The third paragraph should contrast the book from the film, explaining how they are different. The fourth paragraph should evaluate the book and the film, explaining which you think is better and why. The fifth paragraph should summarize your main points and reassert your evaluation.

This essay will be due by the end of the second week of school. Your final draft is to be typed as a Google Docs file and turned in on the Final Summer Project assignment on Google Classroom.
