Parent Bulletin**

Dear Parents/Guardians,

Happy Holidays to all! With the shortened month of December, because of our winter break, we ask that you please read newsletters or other forms sent home regarding upcoming events. Our staff continues to work diligently to provide your child with a quality education as well as support. We still need your assistance in communicating to your child the importance of returning completed homework assignments, daily attendance, following all school rules and participating in all school and class activities. "Children can only learn if we all work together" TEAM!!!! Thank you for your continued support.

**ATTENDANCE**

It is imperative that we, as a TEAM, continue to strive for our goal of 98 % daily attendance. We are aware that illnesses will occur and that in the best interest of all students there will be times that keeping your son/daughter at home is necessary, but please make an effort to have your child attend. Students can only learn if they are in attendance and are allowed to be exposed to instruction, which increases student achievement. We are experiencing the cold/flu season and would like to request that for the months of **November through March** our students dress accordingly. **Shorts are not to be worn** during the second and third quarters of school in our efforts to avoid having students miss school because of illness. We encourage all students to please make sure they also have a jacket/coat during the winter months.

**SCHOOL HOURS**

**We need your help!** We need **ALL** our Park View scholars present at school by 7:45. Please do not drop off your child prior to 7:40 am as we do not have adult supervision until this time.
